Thank you for choosing KayBear to help bring the magic to your celebration! We're so happy to provide you with a range of party goodies – from signage and decorations to play equipment and all the festive touches that make a party pop.

Some of our items are made for single-use (plates, craft materials, balloons – party hard!), but many of them are reusable and shared between families. To help keep everything looking fab for future parties, we ask that you read and agree to the following:

### 1. Party Responsibly

Please treat all KayBear hire items – especially play gear, signs, props, and decor – with care. They've got more parties to attend after yours!

### 2. One-Time vs. Reusable Items

- One-time use (e.g. cutlery, craft materials, balloons)- No need to return these, enjoy!
- Reusable items (e.g. play equipment, signage, decorations)- Please return in good condition.

### 3. Liability for Damages

By signing this form, you agree to take responsibility for any damage, loss, or excessive wear to KayBear items while they are in your care. We understand accidents happen- if something goes wrong, just let us know.

### 4. Damage Assessment

We'll inspect the items before and after your event. If anything is missing or damaged beyond normal wear and tear, we may invoice a reasonable replacement or repair cost. No mystery fees – we'll keep it transparent.

### 5. Treat It Like It's Yours (or Better Yet, Ours)

Let's make sure the next little birthday star gets just as magical an experience!

I agree to the above terms and accept responsibility for the safe use and return of all reusable KayBear hire items.
